

Snowman Directions

First, fill the background dark blue. Second, draw three light blue circles biggest to smallest. Then, draw two black circles for the eyes. Next, draw a black smile, and a carrot nose. Then, draw three small black circles on the middle light blue circle. Next, you draw a scarf blowing in the wind and two twigs for the arms. Then, draw a black top hat with a white line through the middle. Lastly, draw some snowflakes (any stamp will work, be creative!!) and a white circle for the moon.
